## EDITORIAL

Politicians truly have a rough life today.

It is really difficult to find something on which to take issue with other politicians, since with the state of the world today, you had better be for what the public is for or you will not be a politician for long.

Nationally, of course, the politician can always be for or against the war in Vietnam because hawks and doves are still fairly evenly divided in the population.

Or the politician can be for or against the ABM system. There is room for some argument there.

And there are probably some other areas where there are some divergent viewpoints.

But at the local level, the situation is quite different.

Actually good issues are hard to find.

In California, you'd better be in favor of clean air, clean water and no offshore drilling, or forget it!

Goodness and Motherhood, Mom's apple pie, law and order are items which must be supported.

With just a couple of exceptions, politicians in California are being most agile and adroit in support of or being against, the college ferment. Always they leave a couple of loopholes so they can back pedal if they feel they have to.

Tuesday, Monterey County voters will go to the polls to vote in a primary that isn't really a primary, but a sort of reversion to the cross-filing system abandoned in California some years ago.

There are five candidates running to fill a vacancy created by the tragic death of Alan Pattee.

Three are Republicans, one is a Democrat, the other is running on the American Independent Party ticket.

The three Republican are Bertram F. Rudolph of Carmel Highlands, Bob Wood of

Greenfield and Dr. Mitchell Bedford of Salinas.

Wood is the Republican front-runner, since he has the endorsement of the GOP, which also gives him access to a considerable amount of money with which to campaign.

Rudolph is a gadfly who has put together a list of issues and his stand on each and has given wide distribution to the summary.

He classifies himself as a "Taft" Republican.

Dr. Mitchell Bedford is a professor of psychology at Hartnell College in Salinas, and according to his own statement, has entered the race to see just how successful a candidate for office can be if he lacks a pot of money with which to campaign. A kind of poor man's politician.

Fred Farr is the Democrat in the race. A former State Senator, he is making a comeback in local politics, basing his campaign on his 12 years' experience and know-how. A popular vote-getter in the past, he needs 51 per cent of Tuesday's votes to win the seat.

Alton Ogborn is the candidate running on the American Independent Party, the party which was George Wallace's banner in November's presidential election. The Pine Cone has received no communication from Ogborn, so we know little about him.

On page 14 of today's Pine Cone, Gunnar Norberg has analyzed this particular election in terms of nomenclature as a primary.

As we see it, this primary is a campaign of personalities, rather than issues. We'll admit we're bewildered, but we'll have made a decision between now and Tuesday.

Hopefully.

The important thing is, we are going to vote.

We urge every reader to do the same.

## City Council Demands Freeway Stop At Top of Carmel Hill

By GUNNAR NORBERG

The City Council last night took a strong stand against any southward extension of the freeway beyond the point on Carmel Hill which it has now reached.

The action was taken unanimously, with all Council members present, and it was taken apropos of a request for the City's view of what proper future development of a roadway down the Hat-

ton Canyon should eventually be.

The City's view had been sought by the County of Monterey and the State Division of Highways.

In recommending scenic highway treatment for the road which ultimately will be built south of the Carpenter street interchange through Hatton Canyon, the Council referred to its own July 1966

**STUDY IN CONTRAST** — The young girl in the painting is Mrs. Xavier Martinez, second from right. The portrait was done by Mrs. Martinez' husband when she was 16. Listening to a discussion of the early days of Carmel are Mrs. Charles E. Spangenberg, left, and Mrs. Allman Cook, right, at the Carmel Museum of Art, where the painting is on exhibition this month. Mrs. Martinez and her artist husband came to Carmel in 1907, and she recalled the days of red wine and French bread with friends Jack London, Ambrose Bierce and Charles Warren Stoddard. She now lives in the doll house with the New England architecture at Carmello and 17th, and has raised three generations, all of whom have spent most of their youth on Carmel Beach.

## "FLUTE PLAYERS"

Stiha, Wein New Artists At Zantman's  
by Louise Cook

Two new important artists have been added to Zantman Gallery's well chosen collection of paintings and sculpture.

Albert Wein is an accomplished sculptor in bronze. Uldan Stiha paints the people of Brazil.

"Flute Player," a highly stylized bronze by Mr. Wein has grace and good composition.

"Demeter" portrays a sturdy goddess of agriculture elegantly posed. The shapes of "Europa and the Bull" are compactly arranged and convey the impression of bottled up strength. Three small bronzes, "Ruth," "Deborah" and "Three Sisters" are each posed in meditation.

Albert Wein is also a painter of note; and his designs for Steuben glass have been

used as presentation pieces, given to various crowned heads.

Uldan Stiha, painter, who was born in Yugoslavia has spent the last ten years painting in Brazil. His favorite locale is the coastal city of Bahia. There he portrays the local people in all of their daily activities. Wearing their colorful native costumes they are pictured in "Cock Fight," "Chicken Market," "After Fishing" and "Going Out of Church" to name only a few of this distinguished collection. The background details are practically eliminated, the total emphasis being on the people.

Mr. Stiha has a kind of "Quick-Sketch" approach, done in clear, bright colors with an unworked quality.

**BACH FESTIVAL** — Board and guests assembled at the home of Mr. and Mrs. Arthur Dahl in Pebble Beach last week to hear a report on the program and guest artists by Maestro Sandor Salgo (center). To his right are pictured Bach Festival president Hugh Hannon and Mrs. Hannon, and Fritz Wurmann, veteran board member. To his left, Mrs. Elizabeth Cope, new executive secretary, who is understudying Mrs. Allstair (Michel) Mackay who will retire this year.

### Bach Festival Gathering At Dahl Home

About 50 Carmel Bach Festival board members and guests met at the Pebble Beach home of Mr. and Mrs. Arthur L. Dahl last Thursday afternoon.

President Hugh Hannon of Carmel introduced Maestro Sandor Salgo and his wife Priscilla who trains and leads the chorale group.

"From a state of chaos, everything is falling into place beautifully," said Salgo.

Now in his fourteenth year as music director and conductor, he went over plans for the coming season, in particular, the staging and choreography of "The Fairy Queen" by Henry Purcell.

The resignations of Mrs. Walter (Mausita) Jennings and Mary Louise Schneeberger from the board were accepted regretfully.

The Rev. H.M.N. Nicholas was chosen to fill one of the vacancies.

### Arts Coordinating Council Meets

Rody Holt presided at the Arts Coordinating Council of Monterey County at its last meeting at All Saints' Church. New members and delegates were introduced.

Dr. Keith Merrill of Monterey Peninsula College described some of the many community events which

have reached over 8000 people in the past year.

Compilation of a list of those willing to house music students and participants in the Bach Festival and American Symphony of Asilomar was considered a helpful service by the council.

## Musical Comments

### Angie Machado and Frederick Schaad Make Duo-Piano Debut At MPC

An end of season bonus recital was given at Monterey Peninsula College Music Hall Sunday evening by the Monterey Peninsula Chamber Music Society which presented its president, Angie Machado, and Frederick Schaad, both of Carmel, in a two piano recital.

Miss Machado and Schaad chose an extremely difficult and interesting program and acquitted themselves very well indeed.

The program began with a Bach Sonata in G, arranged for piano by Victor Babin. The two pianists seemed to hit their stride in the Lento in which the deep tones of the pianos more nearly approximated the sound of the organ for which the work was originally written.

Next came a Mozart Sonata in C, K.521, which they played on one piano with all the delicate precision demanded by Mozart, but with a charming interpretation. The last movement seemed a bit long and repetitious however.

Perhaps the hit of the evening

was the brilliant and witty Sonata by Poulenc who died in 1963, which they also played on one piano. This entailed, as Miss Machado put it, "living dangerously," so intertwined were the hands. Refreshing in harmony and vivacious in spirit, the work should be better known.

The program ended with two selections from Suite No. 2 by Rachmaninoff. The first, Romance, was played with all the mood-creating feeling the title implies, the second, Tarentelle, spirited yet controlled, was a fitting climax to the evening.

Many curtain calls resulted in a short encore, also by Rachmaninoff.

The hall was well filled with appreciative subscribers and other members of the community. The concert followed a business meeting in which it was disclosed that the membership this past year had quadrupled and that the society was in excellent financial shape.

### AAUW To Work With LWV On Pollution

The American Association of University Women adopted a two-year study of conservation at its state convention, it was reported last week at Asilomar.

The local branch will work with the Peninsula members of the League of Women Voters in their study of Preserving the Environment.

The architecture section will concentrate on the human use of urban space, in particular, people's needs to relate to each other regardless of background, and on structure and space for enjoyment by man.

The AAUW action program deploring Santa Barbara oil drilling was reported as was the emotional

over-reaction of both poles in the recent Berkeley crisis. Assistance was pledged to look into the causes obscured by violence.

The state action program backed a year round high school pilot program.

New president, Mrs. Russell B. (Nan) Bomberger of Pebble Beach was introduced by retiring president, Mrs. Ernest (Clementine) Bibb of Carmel following installations of new officers.

A silent auction to benefit the AAUW Educational Foundation — Coretta Scott King Fund for scholarships followed. Tax - deductible contributions may be made, care of Mrs. Ted (Libby) Durein, Box 576, Carmel.

### Thrift Shop Proceeds To Symphony Guild

At the meeting of the Monterey Peninsula Volunteer Services on Friday, June 6, at Del Monte Lodge, Mrs. Cecil H. Barker of the Monterey County Symphony Guild, was presented with a check in the amount of \$3,993.83, representing the net proceeds of the M P V S Thrift Shop during the two weeks in May allotted to the Symphony Guild. Members of the Guild assisted members of M P V S gathering merchandise for the Thrift Shop, and helped also in making, sorting, displaying and selling at the Shop. Mrs. J. B. Farrior was Chairman of the Project for the Symphony Guild.

Presentation of the check to Mrs. Barker was made by Mrs. Thurman H. Bane, President of M P V S.

## BORROW A BEAUTIFUL LAWN

(the equipment to make one, that is)

There's lasting pleasure in creating a lush, green lawn, a lovely yard and garden... one that stands out in the neighborhood. And it's much easier to do with the right equipment. We'll give advice... loan anything you want for as long as you need it (like power mowers, tillers, edgers, trimmers, pruners). Doesn't cost much either. In fact, we'll help out and save you money when you want to borrow almost anything at all, for most other purposes.

Mr. and Mrs. James Andrew Vickrey

### Cathy Shabram Marries James Vickrey

The wedding of Catherine Jane Shabram and James Andrew Vickrey took place May 23 at the Carmel Mission Basilica. The Rev. Felix Migliazzo performed the two o'clock ceremony.

The daughter of Mr. and Mrs. Lyle F. Shabram of Carmel, the bride is the sister of Mary Beth Shabram, her flower girl; Joe Shabram, the best man; Paul and Lyle Shabram who were ushers; Mrs. Kenneth Plass of Sacramento, in charge of gifts, and Stephen Shabram. Her sister-in-law, Mrs. Lyle Shabram Jr., was in charge of the guest book. Cindy Russell of Carmel was maid of honor.

James is the son of Col. and Mrs. Charles R. Vickrey of Loring Air Force Base in Maine. His mother attended the wedding, but Col. Vickrey could not because of Air Force duty.

James is the twin brother of Alan Vickrey and has a sister Debbie. Another brother, Craig, was killed two months ago in Vietnam.

He attended Carmel High School, as did Cathy, and will enter Monterey Peninsula College in the fall. He is employed by Safeway in Carmel.

For her bridal gown, Cathy chose a floor length cotillion gown of nylon lace with sabrina neckline, long sleeves and tiered lace ruffles which fell into a cathedral train.

Her veil of illusion was held by a matching crown and she carried a bouquet of white carnations and bouvardia centered with a white orchid.

After a reception at the home of the bride's parents, the couple left for a wedding trip to San Francisco.

### Carmel Knolls Neighbors Celebrate

More than a hundred Carmel Knolls neighbors gathered recently to celebrate the removal of utility poles and the burial of utility wires.

It celebrated more than that: cooperation between neighbors, county and utility companies.

Col. St. E. P. Tyner (ret) masterminded over a period of four and a half years the unusual proceedings which represented the first subdivision to remove unsightly poles and wires.

By dividing total assessments equally among the 78 home owners, the cost aver-

aged \$630 per lot, including both on-lot and in-street costs in the hilly subdivision.

An amendment to the 1913 Improvement Act permitted financing by bond issue over a long period. Use of plastic cable and other techniques approved by PUC lowered the cost from the original estimates.

Further dividends were the friendships made at the Spanish barbecue held in the upper Carmel Valley which was planned by Mrs. Harold Nielsen, assisted by Mmes. Norman Chasoff, George Fairbanks, George Fletcher and Ray Pratt.

## Wedding Bells

### Campaigning for Their Father

Francesca Farr, who has been teaching school in a Boston ghetto, was here for the fund-raising dinner and silent auction given for her father, Fred Farr, by the Carmel Women's Democratic Club at the Beach Club in Pebble Beach, Saturday evening. She spoke with pride of her father's honesty.

Sam Farr, who is studying law at Santa Clara University, brought his wife down for the event and will campaign for his father who is running for the assembly seat left vacant by the death of Alan Pattee.

The Beach Club was filled

with old friends and new ones and many had to be turned away for the gathering.

The auction featured paintings, a Franklin stove, much in demand, and other treasures donated by friends of Farr who has been serving as director of highway beautification in Washington, D.C.

Mrs. Charles Davis of Pebble Beach, Mrs. Robert Coxe and Mrs. Alan Schleicher, both of Carmel, and Mrs. Rudolph Alt of Carmel Valley were members of the committee planning the successful event.

### A Time To Speak — A Time To Listen

A large number of students and parents gathered at Brey Hall last week in a second meeting on the general topic of drug-using. The meeting was planned by students in Nancy Bottero's health class.

After a film "Escape to Nowhere," remarks were made by Drs. Timothy Hobson, Bill Lewis, William Wenner, and Mrs. Laurie Sempe, all on the board of the Drug Information and Youth Crisis Center in Pacific Grove; Dr. Albert B. Janko who spoke on sex, Dempsey Billey of the Sheriff's Office and Frank Bottero, probation officer.

It was the opinion of most of the leaders that the abuse of drugs was a symptom of the present alienation of youth from society.

Hobson cited the need for adults to understand children's criticisms of their achievement, possessions-oriented society which often excludes love, allows ghettos, and which leads to alcoholism and ulcers.

Wenner commented that posture often gets in the way of communications between parents and children. If parents could provide information without mixing it with advice it would be better received.

Dr. Lewis stated his belief in the underlying morality

of young people as shown by their concern for fellow men and belief in the virtue of love.

Drug use, in his opinion, was a symptom of lack of love, loss of direction, showing emotional need of recognition.

Dr. Janko underlined the need for wholesome sex education at every age, and particularly by example of the parents.

Hobson recommended reading an article in the January 1969 issue of *The Center Magazine*.

Then the meeting broke up into smaller encounter groups with each one of these people serving as moderators. Both students and parents expressed themselves freely and were listened to respectfully.

Among reasons given for using marijuana were feelings of relaxation and social ease.

Several students criticized the schools. Frederick Stanley of Stanley Appliances suggested reactivating the work experience program. M.H.

### On Her Way to Florida

Mrs. Anthony (Nancy) Friendly was in Carmel last week to visit her mother, Luraine Rigsby, who is leaving for Florida for a holiday with a cousin.

Craig Allan Cunningham and his bride, the former Christine Marilyn Hosch were recently married in Chico, where they are both students at Chico State College. Craig is a graduate of Sunset and Carmel High School where he was voted outstanding athlete in 1966, also serving as CHS representative at Boys State in 1965. He is the son of Mrs. Patricia A. Cunningham of Carmel and the brother of Kevin Cunningham who ushered. His sister Colleen was in charge of the guest book at the reception which followed the wedding. They will honeymoon in Oregon after the close of school and make their home in Chico while they continue their preparations for teaching careers in English.

### French Conversation Tea

On Thursday, June 19 at 3 p.m., Mrs. L. W. Klene and Mrs. John Dowdakin will entertain at a French conversation tea for members of l'Alliance Francaise and their guests at Mrs. Klene's home.

For reservations please telephone Mrs. Klene at 624-8034 or Mrs. Dowdakin at 659-2356.

### Play Pens and Toys

Mr. and Mrs. Samuel Reed of Carmel became parents of Valerie on May 28; Mr. and Mrs. Frank Still of Carmel of Cynthia Kay on June 2, both at Community Hospital.

Mr. and Mrs. Darrell Jewett of Carmel Valley became parents of Colin Andrew on May 31.

At the Monterey Hospital, Medina Estela was born for Mr. and Mrs. Hermogenes Moya on May 3.

**NO! NO! NO! NO RECIPE** — Mark Raggett, one of the assistant chefs, gestures emphatically "No Recipes" as our photographer and reporter attempt to learn the secret ingredients in the incomparable steaks served at Saturday's Merienda in Monterey.

### Marienda Menu by Phyllis Jervey

With bounce and gusto, Phyllis approached the bar-bacoas at Monterey's Memory Gardens. Ah, what fun the cooks-for-the-day are having! They're all in such a jolly frame of mind, thought your reporter, I'll now find out what makes the Merienda Menu memorable.

Mrs. Mark Raggett, our hostess at Table 18 (a marvelous location and friendly group) introduced Phyllis to the inner circle of cooks. Head Cook: Buck Russo. Assistant Cooks: Mark Raggett, Ralph Castagna, Frank Marinello, Pete Coniglio, Pete Delfino.

Q. Those beautiful steaks stacked high, what is the marinade?

A. (in chorus from the cooks assembled around Mrs. Party Plans).

"The Merienda Marinade" is Buck Russo's secret formula handed down from the Conquistadores."

Q. But can't you give just a hint of the main ingredient?

A. (Again in fortissimo, the six cooks replied; "Vino and more vino."

Soon what drifted through

the colorful courtyard seemed to be fog. It couldn't be smog? Not with that delicious aroma for steaks barbaqued con vino. The extra "salsa" is also secreto.

Gus Ariola's famous "Gordo's Pinto Beans" appears once a year in his cartoon... so wait and look for Gordo's way with Mexican beans in your newspapers. We enjoyed their delicate flavor, also the fact that they were not refrito(ed).

Plus Salinas head lettuce, garlic (or non-) buttered crusty bread, sliced thickly. That was the menu, until, with a grand gesture, came the traditionally impressive cortege of "Passing-the-Cake Around." Black coffee, *mucho vino rojo, mucho alegre!* Plus, from San Francisco, the Consuls General from Spain and Mexico, who were as enthusiastic as we "native Californians."

So what... no recipes? Just look for this week's "Party Plans." Dining in Spain? Why go to Spain? On account of La Merienda happens only once a year. Ole to the 200th celebration (next year).

Ernest H. Hand has been promoted to manager of Pacific Gas and Electric Company's Monterey District after having served as manager of the Santa Maria District for the past four years.

Hand, a 20 year PG&E employee, succeeds Thomas E. Riddle Jr., who was appointed to head the Company's Diablo District at Concord.

The two promotions become effective July 1.

Hand is a past district vice chairman of the Mission Council of the Boy Scouts and served on the Salvation Army advisory board.

### 'Curse You, Red Baron' Reading Club Begins

The summer reading club at the Harrison Memorial Library will feature Snoopy and some of his friends.

Starting June 16 children who have completed first grade or higher may sign up for their Snoopy booklet, pin and bookmark and begin their summer reading.

For each three books read, a drawing of one of the Snoopy characters will be given. Completion of the club means reading thirty books during the summer. The last date to get your booklet back in to the library will be Aug. 29.

Cabrillo Music Festival at Aptos, California.

Chavez will be at the Cabrillo College Theater Aug. 24 for the performance by the Amici della Musica Orchestra, Richard Williams conducting.

This summer's festival will include eight events on the weekends of Aug. 15-17 and 22-24. Concerts are scheduled for Friday night, Saturday afternoon and evening and Sunday evening on both weekends.

The Chavez premiere will appear on the final program.

Chavez was born in Mexico City in 1899. He spent some time in Europe and New York in the early 1920's and returned to Mexico in 1928 as conductor of the Orquesta Sinfonica de Mexico.

Chavez exercises a great influence on the development of modern music in Mexico. His principle of tonal economy and his enlightened primitivism are in keeping with the modern trend of musical composition in other parts of the world as well.

Although the titles of his works are often programmatic, he maintains that the essence of his music does not depend on extraneous considerations.

In his scores of Mexican inspiration he rarely, if ever, uses authentic folk tunes, but rather interprets the native elements in a manner suitable to the artistic expression of his time.

The 1968 Cabrillo Music Festival included the Chavez "Toccata for Percussion," one of his nine orchestral works.

## How to WARM UP A cold pilot.

Even the most faithful pilot light can go out. So check your pilot first if one of your gas appliances or furnace isn't operating.

Most gas ranges have more than one pilot. If you're not sure where they're located, consult your owner's manual. (If you need help, call us.) Before relighting a pilot, be sure all burners are turned off. Allow a few minutes for the air to clear, then touch a lighted match to the pilot opening. The pilot should light with a small, blue flame, and the burner should light when you turn it on. If the burner fails to light, call us. We'll send a man out to check it.

Modern gas water heaters and dryers shut off completely if the pilot goes out. And most models bear manufacturer instructions for relighting. If you can't get the appliance operating, call us or the installer.

If the pilot of any gas heater or furnace goes out, **TURN OFF THE MAIN BURNER VALVE FIRST.** Allow ten or fifteen minutes for any accumulation of gas to clear before relighting pilot (following the instructions on the equipment). With the pilot relighted, the furnace or

heater should operate. If it won't, call us.

**PILOTS NEEDN'T GO ON VACATION.** Some folks prefer to shut off furnaces and water heaters during the summer or vacations. However, it's more convenient to turn off the main burner, but not the pilot.

When the pilot is lighted, your furnace is ready to work on a cold day. Most hot water heaters can be turned to "PILOT" when not in use. This keeps the pilot lighted and prevents the main burner from heating water.

**WARNING:** Never look for a gas leak with a lighted match or candle. If you suspect a gas leak, call PG&E right away and we'll check it.

If you call for a PG&E service man to check out a gas leak or an appliance, have him show you where your pilots are, and how to relight them. If an appliance needs repairs or parts, an appliance man, plumber, or furnace man should be called.

P.S. Although the cost of living is up 183% since 1935, typical PG&E gas and electric rates are down 13.9%. We do all we can to give good service at low rates.

## Is Against His Chief Opponent's High Tax Program...Read Why

Fred Farr's chief opponent has fully endorsed a new tax program sponsored by the Governor. Fred Farr is against this program because it would hurt almost everyone living in Monterey County. Your vote for Fred Farr will help keep these new taxes from taking place.

### WHAT THE NEW TAXES WILL DO TO YOU:

1. Those persons with annual income of \$10,000 and below will receive a 47.1 million dollar increase in their overall tax burden.
2. The new tax proposal will impose state and local sales tax for the first time on such items as repair services on cars, household appliances, TV sets, clothing and shoes.
3. Among the hardest hit by this new tax will be small growers in Monterey County. All agricultural property in our County will be subject to a new state tax of \$3.50 per \$100 of assessed valuation.
4. The most crucial harm of this new tax is the disaster that will take place in our schools. State support to the schools in Monterey County will be reduced by 1.3 million dollars. The following districts will suffer losses in the amounts shown:

**Salinas High School will lose \$2,766,762.00**

**Gonzales High School will lose \$86,703.00**

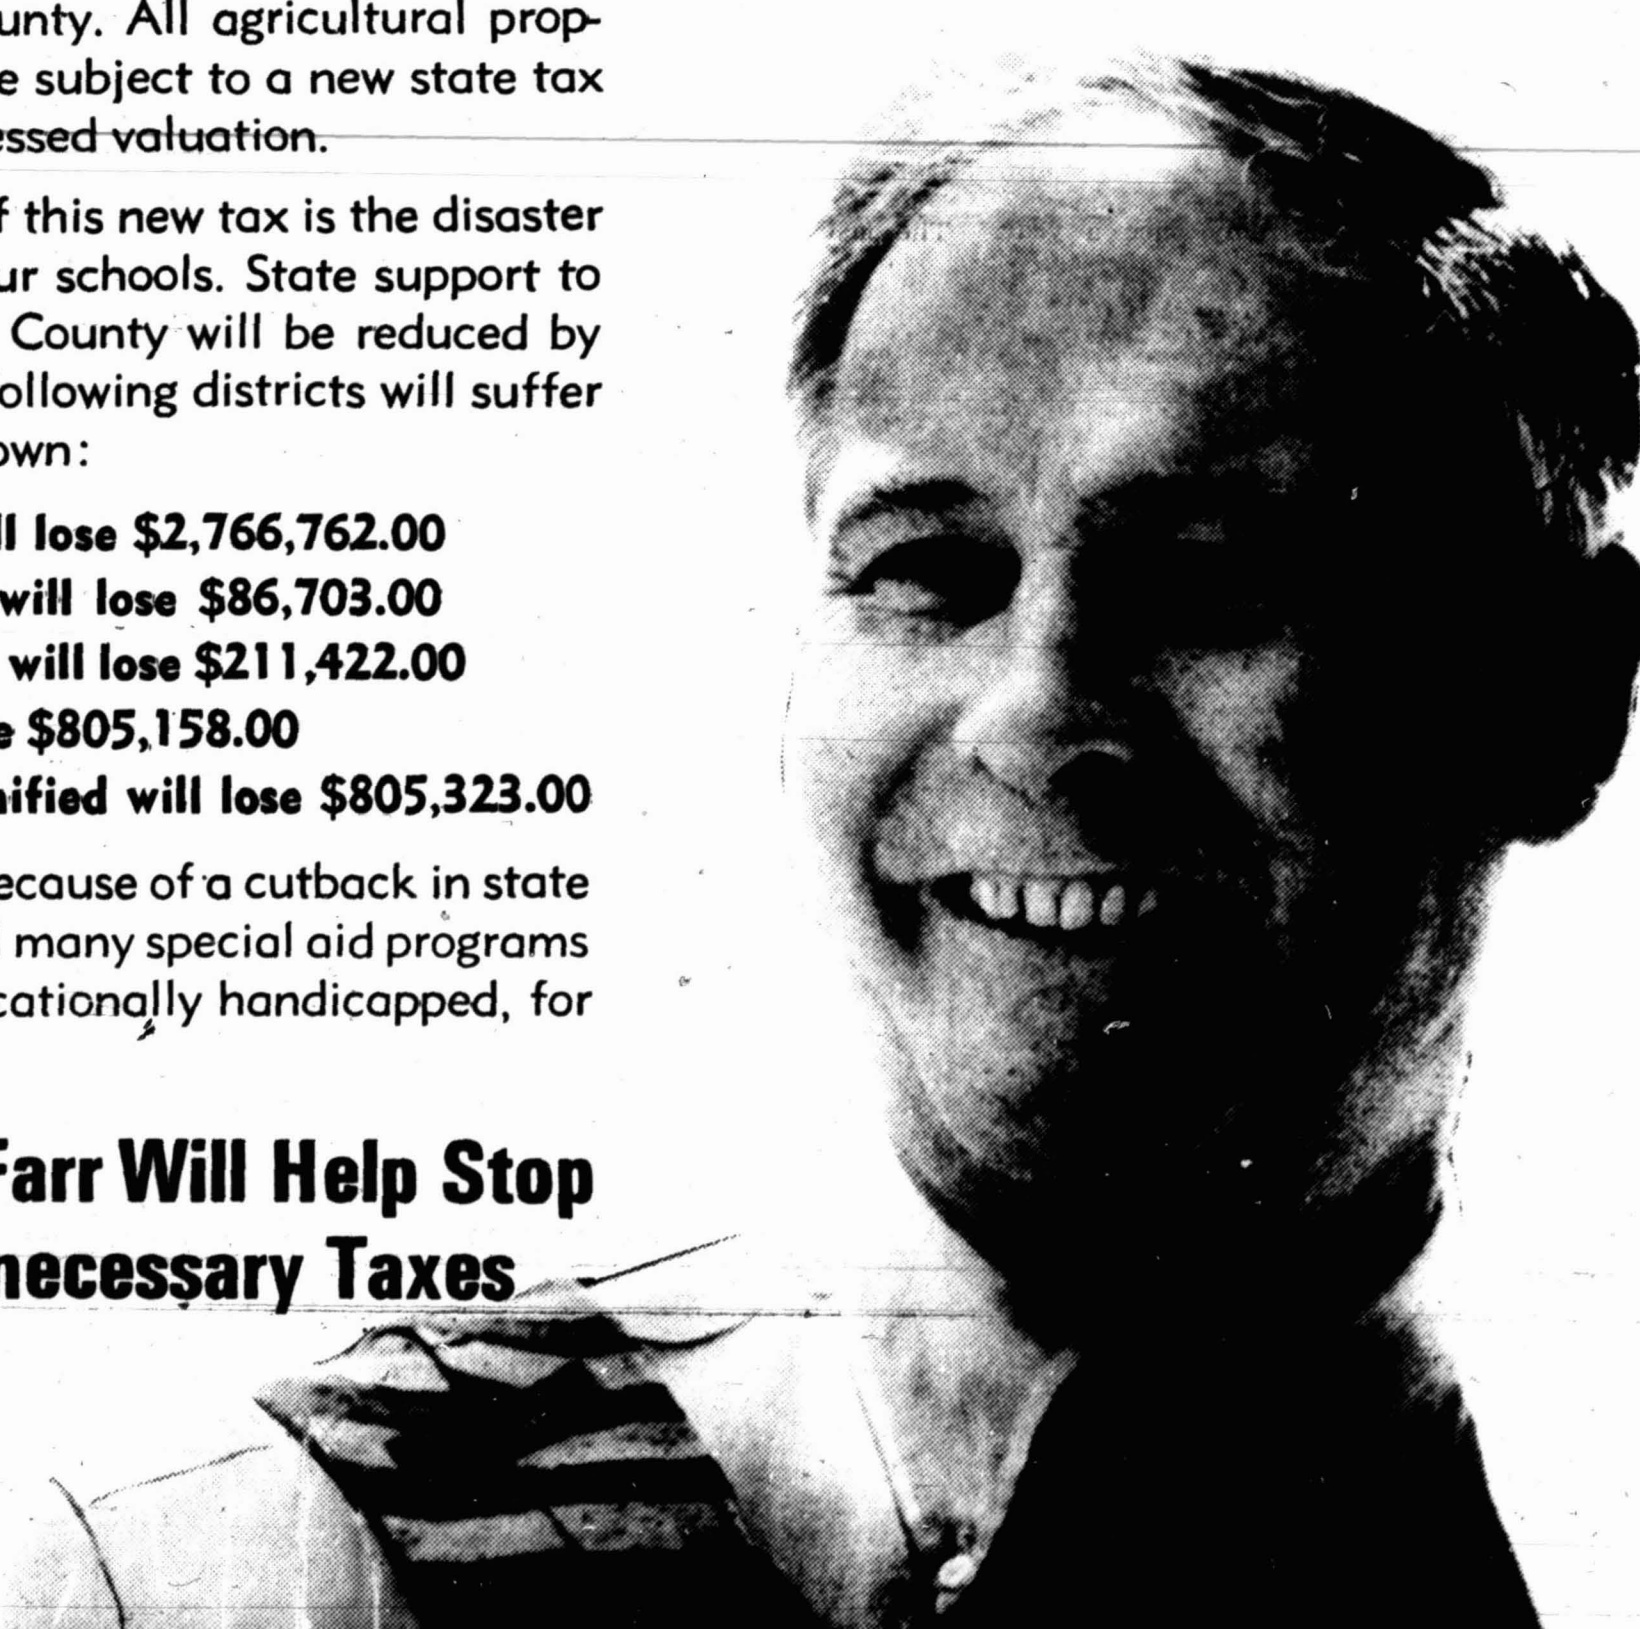

**Hartnell Junior College will lose \$211,422.00**

**Carmel Unified will lose \$805,158.00**

**Monterey Peninsula Unified will lose \$805,323.00**

In addition, many districts, because of a cutback in state support, would have to cancel many special aid programs for the gifted, retarded, educationally handicapped, for remedial reading, etc.

**'Me and Thee' Run Extended to June 21**

The popularity of the current comedy hit, "Me and Thee," now playing at Carmel's unique theater-in-the-round, the Circle Theater,

has demanded that the management extend its scheduled run by an extra weekend. "Me and Thee" will now play through June 21.

All the press and reviewers have been unanimous in their praise for the hilarious hijinks in this very funny comedy as performed by the Golden Bough Players.

Capacity audiences have greeted "Me and Thee" with side-splitting laughter since it first opened May 16th as a presentation of the Community Theater of the Monterey Peninsula.

Col. and Mrs. Austin DeCamp (USA Ret) paid tribute to the cast and crew of "Me and Thee," by giving a party in their honor last Friday after the performance.

Col. DeCamp has been a life-long friend and devoted fan of the actors appearing at the Circle Theater.

His parties at his home on Scenic Avenue have become a tradition with the Golden Bough Players, and he says this is his way of saying "thank you" to all those involved in this community project to bring quality entertainment to Carmel.

# PARTY PLANS . . .

by Phyllis Jervey

## "Dining in Spain"

If you prefer authenticity, tradition and moderate seasoning, "Dining in Spain" is for you. The kind of Spanish regional food described is found in the restaurants of Madrid. But it encompasses the whole of Espanola's provinces.

The advance copy of this informative cooking guide has arrived just in time to alert Carmel travelers what to expect, what to look for and where.

Published by Charles E. Tuttle Company, the pocket-size cook book was written by Gerrie Beene and Lourdes Miranda King. These observant authors gathered the recipes from original sources during the many years they lived in Spain.

The unusual dining customs of Spain are described with wit and accuracy. In addition, there are historical sketches which make it unique among cook books. We haven't the space to list the recommended restaurants and snack shops or bars. But we have chosen those recipes that would be the most likely to be useful to Carmel's cooks.

For budget-minded tourists, prices are given for the three categories: Expensive dining places (\$5 and above); moderate (\$3 to \$5) and inexpensive up to \$3 for a 3 course meal, including wine).

"Party Plans" is now giving six recipes which are interchangeable to create two super soups, one chicken, one kidney dish, two desserts. The sequence is the same, but the choice is yours! Especially for arm chair travelers, farewell or welcome back "fiestatitas."

Spain is unrivaled in seafood, fowl and stews. Jerez (sherry), almonds, oranges, melons and custards make up the most tempting desserts. Rice is the staple with colorful herb and delicate spices to give a real Spanish accent. Olive trees, planted in 600 B.C. by the Phoenicians, provided Spain with one of her greatest assets. Olive oil is essential for true flavor. So let's read on and taste later.

### First Course No. One (After appetizers and "cocktailitos")

#### Gazpacho Andaluz (Spanish Cold Soup-Salad)

**List One:** 1 qt. water; 2 ripe tomatoes, chopped; 1 large cucumber, chopped; 2 green peppers, chopped; 2 slices of bread, chopped; 4 T. olive oil; 2 T. vinegar; ½ t. paprika; 1 t. salt; 2 cloves garlic, crushed; a few cumin seeds.

**List Two:** One tomato, cubed; 1 cucumber, sliced; 1 green pepper, chopped; 2 slices toasted cubed bread; ice cubes.

Using items from first list, pour water into large bowl. Add next four items. Soak 30 min. Add oil, vinegar, paprika, salt. Crush the garlic with cumin seeds in mortar and add. Put mixture through a sieve, or blend in electric mixer until pureed, in a deep bowl. Use only crockery or Pyrex. Cover and chill 4 hours or more, or the speedy way is to add ice cubes at serving. In any event, serve well chilled for four.

A tray containing List Two's items are placed into individual small dishes for self service.

### First Course No. Two Sopa de Ajo "Don Alfonso"

(Garlic Soup, as popular in Spain as Onion Soup is in France)

Two T. olive oil; 8 garlic cloves, minced; 6 cups consomme, homemade or canned; 1 cup diced boiled ham; 4 eggs; packaged croutons.

Preheat oven to 350 F. Heat olive oil in large skillet and saute garlic until tender, not scorched. In separate pan, heat beef stock and add to garlic. Simmer 10 min. Divide ham into small heatproof casseroles. Break one egg into each and pour the stock slowly over each. Put in oven and bake until eggs are poached, (salt and pepper is added at the table). Garnish with croutons. Eat without delay. A cold poached egg is terrible! Serves six.

### Second Course No. One Rinones de Cordero al Jerez (Lamb Kidneys with Sherry)

One lb. lamb kidneys; ½ cup olive oil; 2 onions, chopped; 1 clove garlic, minced; 1 T. flour; ½ cup sherry; salt and pepper.

Remove white membrane from Kidneys, into about ¼ inch thick slices, and soak in cold water 30 min. Drain and dry with paper towel. Heat oil in heavy skillet and saute onions with garlic until golden. Sprinkle the flour over this; stir until smooth. Pour in sherry and stir. Add kidneys, season and simmer until tender. A bit of fresh lemon juice gives a lift. Serve with saffron rice. Enough for four.

### Second Course No. Two Pollito Asado

(Roast Chicken with Ham Stuffing)

One 2½ lb. young roasting chicken; salt and pepper; 2 cups diced ham; 2 T. olive oil; 1 cup dry white wine.

Preheat oven to 350 F. Rub cavity of chicken with salt and pepper. Stuff it with the ham. Truss. Heat oil in large heavy skillet on top of stove. When hot, brown chicken on all sides, without burning. Transfer to roasting pan and cook 20 min. to the lb., or until tender and well done. While roasting, baste with wine. Serve with saffron or plain white rice. Or the following is a fine teammate:

### Fabada Asturiana

(White Beans, Asturian Style)

One lb. large white dried beans; ½ lb. ham hock; ¼ lb. pork sausage; ½ lb. salt pork; 1 cup olive oil; 1 onion, chopped; 4 blood sausages; 4 white sausages; salt and pepper.

Soak beans overnight in cold water. Next day, add everything listed. Cover with sufficient water to top by 1 inch. Simmer 2 hours or until beans are tender but not broken. Season to taste. The chicken dish serves two, the beans six. Perhaps 3 chickens are in order, or else the beans can be reheated manana.

### Dessert Course No. One

Naranjas de los Moros  
(Oranges Moorish Style)

Four large oranges, peeled and thinly sliced; ½ cup pitted dates, cup up; ½ cup chopped blanched almonds; ½ cup brandy; 2/3 cup fresh orange juice.

Combine and chill. Serves four.

### Dessert Course No. Two

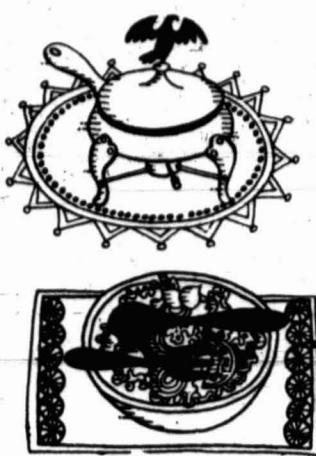

Natillas al Limon  
(Lemon Custard)

Four eggs, whole; 2 eggs, yolks only; 1 cup sugar; 1 t. lemon peel, grated; 3 cups milk; 6 ladyfingers or vanilla wafers.

Heat water in lower part of double boiler. Beat whole eggs and yolks with sugar and lemon peel. Heat milk in pan just until boiling point. Remove quickly. Cool 10 min. Add egg mixture slowly into milk, stirring constantly. Pour into top part of double boiler, cook and stir constantly until mixture begins to thicken. When cool it will become thicker. Pour into individual dessert cups. Place ladyfingers or wafers on top. Chill. Grated nutmeg is used at the table. Serves six.

So, buen provecho!

**GRACEFUL STAR** — Peggy Fleming, U.S. Gold Medalist, and three-time world figure skating champion, will make a special guest star appearance with the Shipstads and Johnson Ice Follies in Oakland from July 8 through 13.

### Peggy Fleming To Star In Ice Show

Shipstads and John Ice Follies of 1969, returning to the Oakland-Alameda Coliseum July 8 through July 13 for a six-day run, has something special this year . . . Peggy Fleming.

The three times national and three times world figure skating champion and gold medal winner in last year's inter Olympics will dazzle Ice Follies audiences as she has dazzled all her audiences since joining Ice Follies.

As she glides effortlessly through her intricate routines, Peggy captivates the crowds and leaves them craning for a closer look at her beauty on ice — justifiably adored by all who see her skate.

The switch from amateur to pro was, for Peggy, many faceted.

The catalyst, however, was her desire "to do something for skating that people will remember . . . and like." Even if Peggy never glided across another expanse of ice, it is unlikely anyone would forget her.

Joining Peggy in the famed ice revue will be Richard Dwyer, Mr. Frick, Susan Berens and all the other Follies favorites to make the show complete. Peggy will not appear at San Francisco's Winterland so better get your tickets early.

Note: Tickets are available now at the following outlets: Macy's, Del Monte Shopping Center.

### Istvan Nadas To Conduct Workshop At MPC Summer Session

Istvan Nadas, noted concert pianist, will conduct a workshop and teach a special class at Monterey Peninsula College during the summer session, it was announced today.

The workshop, a six-week study in piano performance for students who have the approval of the instructor, will start June 17, to meet Tuesdays and Thursdays from 10 a.m. to noon in the MPC Music Hall. Auditions will be held Monday, June 16, 9 to 11 a.m. and 1 to 3 p.m., and Tuesday, June 17, 9 to 10 a.m.

The class will be limited to 12 participating members selected in these auditions, but non-participating observers may also enroll.

A participating fee of \$35 will be charged, and non-participants may observe for a fee of \$15.

"A survey of Keyboard Music," a six-week course for performers, teachers and laymen, will also be instructed by Nadas. This class is designed to cover styles of keyboard music from the baroque to the present. Starting June 16, the class will meet Mondays, Wednesdays and Fridays, 11 a.m. to noon, in the music hall. A fee of \$15 will be charged.

Prospective students planning to take either the workshop or the survey course — or both — are urged to notify the college as soon as possible by writing to the Community Service Office, Monterey Peninsula College, 980 Fremont, Monterey, or by telephoning 375-9821, Ext. 335. Formal registration may be completed at the first meeting of the class.

Born in Hungary, Istvan

Nadas studied with Bela Bartok, Zoltan Kodaly and Alfredo Casella. His appearances with the Budapest Philharmonic and successful tours throughout Europe were abruptly halted by the beginning of World War II, when he was confined in a Nazi concentration camp. At the end of the war, he resumed his concert career in Italy. After repeated tours of South America, he made his New York debut at Town Hall in October, 1954, followed by a brilliant Carnegie Hall recital. In 1961, he joined the music faculty of San Francisco State College, but he still concertizes frequently here and abroad.

Nadas' many records include the "Hammerklavier" sonata, Bach's "Well-Tempered Clavier" and 32 Beethoven sonatas.

### Fiedler Conducts 'Pops' Concert

San Jose has proclaimed an official welcome by the city to the San Francisco Symphony Orchestra and its guest conductor, noted "Pops" king Arthur Fiedler, on the occasion of the forthcoming four-concert "pops" series.

Beginning with a concert on July 5, the series will be held in San Jose Civic Auditorium, and this year will feature noted guest artists in addition to young, talented, local artists. For the July 5 concert, noted pianist George Shearing will be making a guest appearance, with the New York Rock & Roll Ensemble performing for the Aug. 1 concert. Performances on Friday, July 18, and Friday, Aug. 8, feature special guest artists. All concerts begin at 8:30 p.m.

## Speaks Out on Law and Order

### Read What Fred Farr Says About Our Current Problems of Campus Disorder

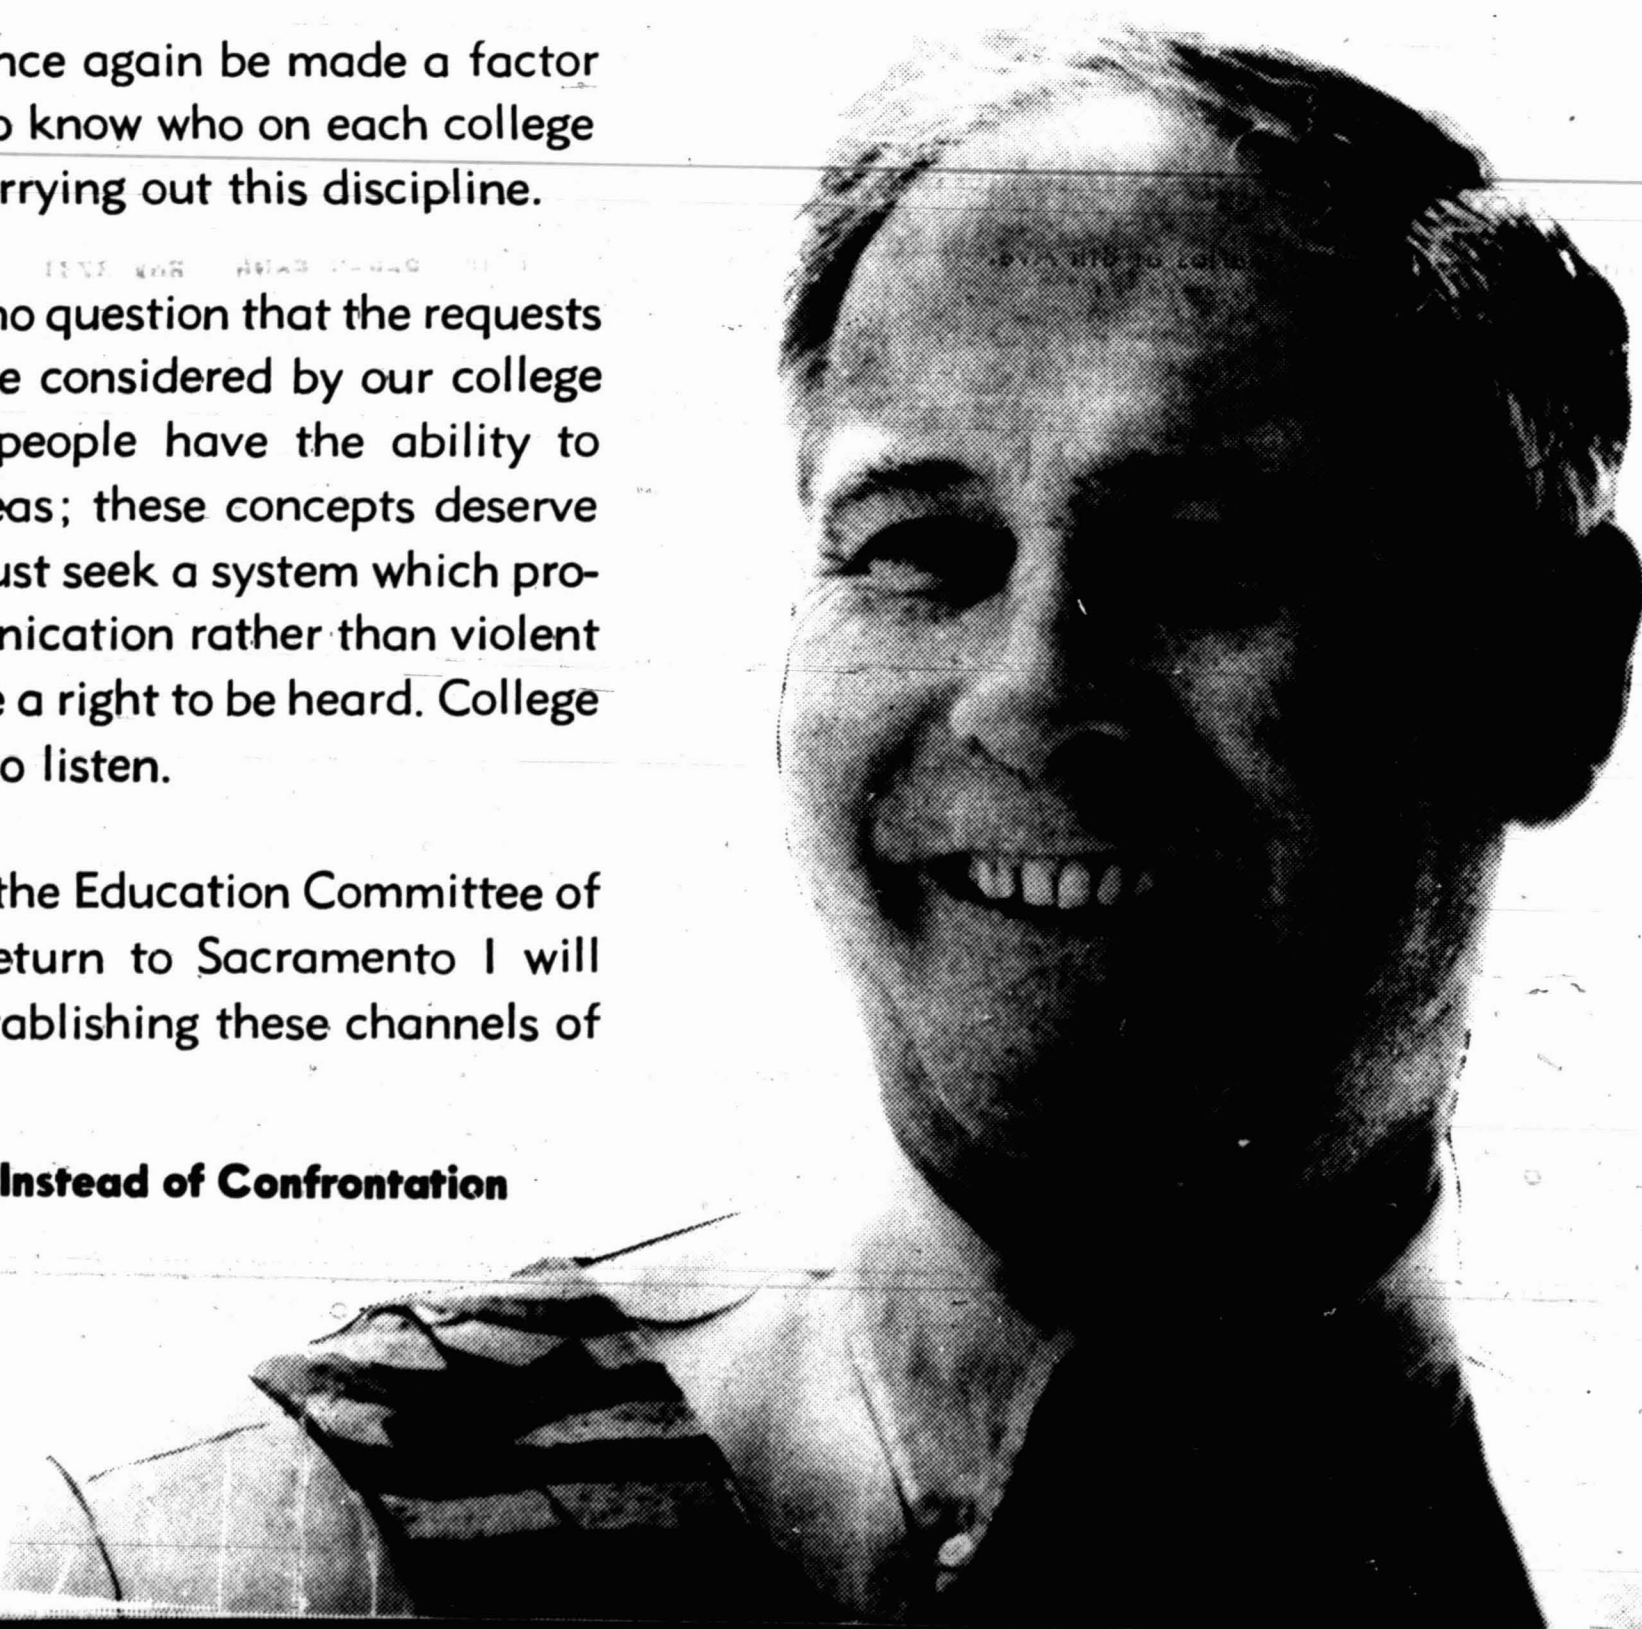

"Like most other citizens of Monterey County, I have been appalled by the actions of student radicals who have not only flagrantly destroyed property at our major universities but have done everything possible to disrupt our educational procedures. They have made it almost impossible for a majority of the serious-minded students to obtain a proper education. We can no longer tolerate this complete disrespect of our laws and of our codes of ethical conduct by these radical students. We must maintain law and order. Classes must continue.

"Discipline must once again be made a factor in student life. We must also know who on each college campus is responsible for carrying out this discipline.

"However, there is no question that the requests of serious students should be considered by our college administrators. Our young people have the ability to create new thoughts and ideas; these concepts deserve thoughtful approach. We must seek a system which provides for meaningful communication rather than violent confrontation. Students have a right to be heard. College administrators have a duty to listen.

"Having served on the Education Committee of our State Senate, when I return to Sacramento I will devote my best efforts in establishing these channels of communication."

#### Communication Instead of Confrontation

## Return Fred Farr to Sacramento, June 17

## New MPC Gym To Aid Rec Program

Monterey Peninsula College's new gymnasium, now complete with the recent addition of an archery range, will be the scene of a busy instructional and recreational program this summer.

As a part of MPC's summer session curriculum, beginning swimming classes for adults will be offered daily, 1 to 1:50 and 2 to 2:50 p.m. in the college pool; intermediate classes from 3 to 4 p.m. daily. Instructor Ted Trendt emphasizes that "people can register for just swimming, if they like. In the past, there seemed to be the false impression that you can't take swimming unless you're taking some other summer course, too."

Also offered by the college physical education division will be police defensive tactics, 11 a.m. to noon daily; golf, 1 to 1:50 p.m. daily; tennis, 2 to 2:50 p.m. daily; and badminton, 3 to 4 p.m. daily. Interested persons may register for any of these

courses Saturday, June 14, 9 a.m. to 3 p.m. in the college administration building.

Over and above the college's regular summer program will be a Monterey Recreation Department program on campus which will utilize MPC instructors and facilities. This will include swimming classes for children, advanced beginners and junior and senior lifesavers, as well as a class in water polo, plus weekend swimming in the college pool for adults, teens and children aged 12 and under.

Also to be offered by the Recreation Department at MPC will be a juniors' program in archery and tennis; a slim-trim and recreational sports class for adult women; an evening men's fitness class; and a basketball clinic for junior high, senior high and college age boys. Completion of the gymnasium's indoor and outdoor facilities, including the archery range, a complete dance studio and a weight-lifting room, will make possible this wide range of offering, according to Patricia Elliott, MPC physical education division chairman.

Information on all programs except the college's regular summer session physical education offerings may be obtained from the Monterey Recreation Department, 546 Dutra Street, Monterey, where registrations are being taken.

## Town House Offers Scott and Winters

The "Clown Prince and Princess" will entertain Carmel Foundation members and the general public on Wednesday, June 18, at 2:30. The performance will take place at the Town House, Lincoln near 8th.

Jerry Winters and Sioux Scott, who have played every stage on the Peninsula, currently appear at the Outrigger on Cannery Row. They have recently returned from a USO tour of Guam, Japan and the Philippines where they played to service men in hospital wards.

They are also known here for their work at the Robert Don School in Pacific Grove where a special group of students participates daily in their "Theater Workshop."

There will be no admission charge, and tea will be served following the program.

## People Have To Eat

An announcement of immense importance to all Americans was made by U.S. Senator George Murphy in Fresno last week.

The California Senator revealed that he will shortly introduce a bill in Congress, with farm support, to establish collective bargaining ground rules in agriculture.

Because the measure would prohibit strikes and boycotts which would result in loss, spoilage or deterioration of an agricultural commodity, the Murphy proposal was immediately opposed by union spokesmen.

Writing in the Los Angeles Times, Labor Writer Harry Bernstein reported the unions' reasoning as follows: "If farmers are to be protected against severe economic

impact of a strike at critical times, why should the law not prohibit strikes against any employer who would be severely hurt by a strike?"

One reason is that no manufacturer, no retail or service business can be hurt by a strike to the same degree that a farmer can be. Crops can't be interrupted in production and put back on the assembly line at a late date. In a period of days, a farmer could lose, through work interruption, his entire year's production and his farm as well.

The second reason is even more important. Through the exercise of monopoly power, labor unions have tied up the nation's shipping, its railroad transportation, shut down steel plants and closed schools. Still, the public manages to survive.

People can get along, if they have to, for extended periods of time without traveling, without new automobiles, refrigerators, or wooden widgets; even without education for their children.

But all of us have to eat — every day of the year.

## Church of the Wayfarer Twilight School

A family Twilight School will be held at the Church of the Wayfarer, for five evenings, June 16 through June 20, 7-8:30 p.m.

This is a family affair, with classes for all ages.

## Retired Teachers To Hear Korean

The Monterey County Division of the California Retired Teachers' Association will hold its bi-monthly luncheon meeting on Wednesday, June 18, at 12:30 p.m. at the Monterey Elks' Club.

Dr. Kyung Cho Chung from Korea, who is currently an instructor in the Korean Language Department at the Defense Language Institute, will speak on "Korea Today."

All retired teachers and their friends are invited to attend. Reservations may be made with Mrs. Calvin Everett, 375-6943, by June 14.

Contributions of cookies for patients at the Fort Ord Hospital will be welcomed.

Three adult classes will be offered.

Mrs. Helen Wood will lead a class in "Christian Social Action"; Mrs. Helen Prince a class in "Youth Ministry"; and the Rev. Alex Bryans a class in "Basic Christian Beliefs."

The school begins with nursery, kindergarten, and elementary grades, with a junior high drama workshop, and a senior high youth group.

During the week the film "The Parable" will be shown.

All this is under the Commission on Education of the Church of which Miss Mary Illich is the chairman. The school will take the place of a Vacation Church School.

## Puzzlement in Tuesday's Election

by Gunnar Norberg

Just what kind of an election are we having on June 17 to choose a new state assemblyman to replace the late Alan Pattee?

That has become a matter of heated discussion in the past few weeks in Monterey County.

The answer is fairly simple. The election is a primary election, but that doesn't settle the whole question in everyone's mind.

Each of the major political parties feel they have a special stake in this coming election — the Republicans to solidify their majority in the Assembly, the Democrats to assure themselves at least an even break.

There were two seats "up for grabs" and requiring primary elections, one in Monterey, the other in Modesto.

Recently the Modesto race was resolved when a recount vote gave the seat to Clare L. Berryhill, a Republican who was unendorsed, and Berryhill was sworn in in Sacramento.

The June 17 election that voters in Monterey County will vote in is a primary election, and the special election proclaimed by Governor Ronald Reagan is set for July 15.

Then doesn't that mean a primary and a run-off election between two parties? One in June, the other in July?

Not exactly. The state elections code provides for a single ballot in the June 17 primary election, and all candidates of all parties are listed.

Thus, any voter can vote for any candidate of any party.

There is a proviso that if any candidate receives more than half of the votes cast, then that candidate will stand elected and the special election proclaimed by the Governor for July 15 will be cancelled.

This has created a dilemma for members of official party organizations.

State law provides that no official party organization is allowed to endorse any individual party candidates in any partisan contest before any primary election.

Since the rules which apply to any primary election in California apply equally to the June 17 election, because it is by legal definition just such a primary, what can official party organizations do if they want to back one individual party candidate when more than one candidate is in the running?

This question is particularly acute for the Monterey County Republican Central Committee because it is the official agency of the Republican party in this county, and because there are three Republicans whose names will appear on the June 17 primary election ballot.

They are Bertram Rudolph of Carmel Highlands, Robert Wood of Greenfield, and Mitchell Bedford of Salinas.

Since the Democratic party and the American Independent party each have only a single candidate, the soul-searching about the propriety or the legality of pre-primary support for their respective candidates may not be as profound as that of the Republicans, though the applicable law seems to be no less inhibiting, for the state elections code states:

"No candidate for such nomination (primary) shall claim, nor shall any other person claim on his behalf, that he is the official candidate or the officially endorsed candidate of that party."

In another portion of the same code section, the law states that "... the county central committee in each county shall not endorse, support, or oppose any candidate for nomination by that party for partisan office in the direct primary election."

The one Democratic candidate running for the Pattee vacancy is former State Senator Fred Farr, and the American Independent Party candidate is Alton Ogborn of Monterey.

## Monterey Summer Recreation Program Open To All Carmel Residents

The Monterey Recreation Department has issued an invitation to all residents of Carmel to participate in the outstanding summer recreation program being offered in Monterey.

The program includes day camps, swimming, for beginners, advanced and recreation, Red Cross life saving techniques, golf lessons for children and adults, among others.

A partial listing follows:

### Whispering Pines Day Camp:

A day camp program for children ages 5 - 8½ years old being held at Whispering Pines Park on Pacific Street in Monterey. Campers are brought to camp by their parents each day at 9:00 a.m. and picked up at 5:00 p.m. Camp will begin June 16 and run for 8 weeks.

### Camp Quin Sabe:

Camp Quin Sabe will be held at Big Sur State Park for boys and girls ages 8½-

14. Camp runs Monday through Friday. Children will depart by bus at the Monterey Recreation Department office Monday morning at 7:45 a.m. and return Friday at 4:45 p.m. This camp will be for three weeks, June 23-27, June 30 - July 4, July 7-11. The camp is located in a beautiful setting and offers hikes, nature lore, swimming, camp skills and campfire programs. Camp Quin Sabe will be under the direction of Mr. and Mrs. Don Reed.

### Junior Golf Instruction:

Co-sponsored with Mr. Nick Lombardo of Del Monte Golf Course, a program for boys and girls between the ages of 8 and 16 is offered. The six-week program will begin Monday, June 30 at 9 a.m.

### Adult Golf Instruction:

One day a week golf instruction for seven weeks at Del Monte Golf Course from

5:00 to 6:30 p.m. Choice of class on either Monday, Tuesday or Thursday. Class begins June 30.

In cooperation with the Monterey Peninsula College the City of Monterey Recreation Department will operate the College pool and facilities for both instructional and recreational activities. Members of Monterey Peninsula College faculty will instruct the following classes:

### Figure Control for Women:

An activity class designed to develop and maintain a desirable level of physical fitness, weight and figure control through proper knowledge of exercise, body mechanics and diet will be held. Each session runs daily Monday through Friday, with classes at 10:00 a.m. and 11:00 a.m. for two weeks. Sessions are: June 16-27; June 30-July 11 and July 14-25.

### Adult Men's Fitness Class:

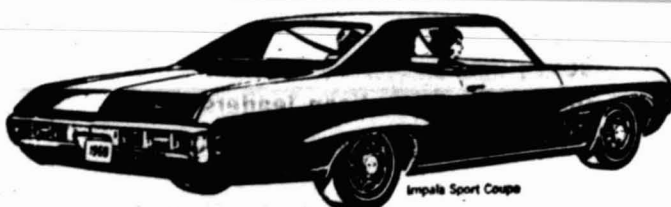

Fitness class for men will be held each Tuesday and Thursday evening from 7:00 to 9:00 p.m. beginning June 16 and continuing through July 25.

Registration for the above classes and programs will be held at the Monterey Recreation Department office, 546 Dutra Street, Monterey. No registration will be taken over the phone. However, for registration fee information, call 372-8121, ext. 281.

### Archery Class:

A beginning basic techniques class in target archery instruction will be offered for children ages 10 to 14 years. Each session will run daily Monday through Friday at 10 a.m. for two weeks. Sessions are as follows: June 10 - June 27; June 30 - July 11 and July 14 and July 25. Necessary archery equipment will be provided.

# What are the facts behind... THE REAL ISSUES!

Next week — you will vote to elect Monterey County's new Assemblyman! Your vote will help to decide if our great State is to pay the price of permissiveness . . . or if it is to continue to move forward in the constructive Alan G. Pattee tradition. Many of today's most pressing social problems could have been checked and arrested years ago. Alan Pattee tried. However, there were others in responsible position who failed to act, who timidly followed partisan leadership. Let the record speak for itself.

Let the facts behind the issues remind us all who deserves our support, our confidence . . . and our vote!

## HOW FRED FARR VOTED!

### CAMPUS UNREST

(AB 1920) May, 1965. Farr voted against this bill which makes it a misdemeanor for a non-student to refuse to leave state college or university property when so directed by chief administrative officer or a designated official of the college or university. (Despite Farr's vote, the bill passed and was signed into law.) Three other campus disorder bills (SB 633, 632 and 1283) introduced in 1965 were killed in Senate Committees of which Fred Farr was a member.

### NARCOTICS

Farr voted against a bill to aid law enforcement officers in securing evidence against narcotic violators. SB 445 (April 1963) introduced by Senator Grunsky provided that prompt and reasonable search for evidence after lawful arrest for specified narcotic offenses shall be deemed incident to the arrest. (Farr was in the minority and the bill passed the Senate.)

### EDUCATION

(ACR 156) June, 1965. Farr voted against this Resolution to establish the Joint (Assembly and Senate) Committee to study problems of Higher Education including tuition and financing. (Despite Farr's negative vote, bi-partisan support easily permitted Resolution to be adopted by both houses.)

### SECONDARY BOYCOTTS

Farr failed to act to protect Monterey County agriculture from crippling secondary boycotts. When SB 551 (May, 1965) removed the provisions against secondary boycotts from state law, Fred Farr failed to take the type of positive action that former Assemblyman Alan Pattee took to protect agriculture against secondary boycotts.

### TAXES AND WELFARE

(AB 3312) June, 1965, (SB 791) April, 1965, (SB 792) May, 1965. Farr voted against a series of measures to control welfare fraud and halt spiraling welfare costs.

## HOW BOB WOOD WILL REPRESENT YOU!

### Bob Wood says:

"No man of good conscience can support the violent and destructive techniques used by militant agitators throughout our country today. In California, we've always prided ourselves on our progressive educational system. But, tax supported campuses must not be a battleground for ideological extremists. Our children are entitled to seek an education without fear of harassment, reprisal or irresponsible actions by a handful of unlawful anarchists."

### Bob Wood states:

"Without question, drug abuse and permissive narcotic nonsense is our foremost social problem. I favor stronger laws and swifter court action which would work to curtail and discourage the growing traffic in narcotics. No family is safe from the insidious pushers who knowingly encourage addiction of our youth. No punishment is too severe for those who deal in harmful drugs for profit."

### Bob Wood knows:

"America's future happiness lies in our ability to make our educational process meaningful. Not only must we make certain there is a place on every campus for deserving students, but we must assist those who do not aspire to university level work. Vocational training and re-training must be a vital part of our overall educational plan. If need be, it can begin on a statewide level. Through meaningful education, we can provide a proper place for every man in today's complex and challenging society."

### Bob Wood is adamant:

"The threat of secondary boycotts should be of grave concern to every voter. Indirectly, we are all affected by the success or failure of our farming community. Perishable products must not be allowed to go unharvested. Nor should California grown crops be subjected to unfair trade practices or non-competitive marketing conditions. Secondary boycotts hurt the farmer, the worker and the consumer alike."

### Bob Wood feels:

"Statewide equalization of taxes must benefit both the homeowner and the farmer. All Californians will share together when we lessen the burden of unfair and unrealistic residential property taxes. The property tax is a regressive tax which should not be expected to carry the burden of our expanding educational needs."

## Johnson To Head Area Scouting

August H. Johnson, banker from Carmel, was re-elected president of the Monterey Bay Area Council, Boy Scouts of America, at the organization's 39th annual dinner meeting held Thursday, June 5 in the Moose Lodge, Del-Rey Oaks.

Other officers elected to serve the 1969-1970 term include Vernon D. Netzel, first vice-president; Rear Admiral Robert W. McNitt, Judson T. Stull and Howard B. Shontz, vice-presidents; Earle Bou-telle, Council Commissioner; and Orville N. Molmen, treasurer.

Guest speaker at the dinner was Astronaut Major Jack R. Lousma, USMC, who is scheduled to go on the third manned space ship flight and was communicator on the Apollo 10 flight to the moon. Eagle Scout Dennis Erickson of Salinas was the boy speaker.

A highlight of the evening was the presentation of four Silver Beaver Badges, Scouting's highest award, to Joe E. English, Santa Cruz; Gavin Work, Seaside; Verle Shank, Watsonville; and Lewis Brown, Salinas. The awards were presently by Past President, Dale Hirt.

## Fong Art Exhibit In Seaside

The Seaside Art Commission is presenting the Batic-tique paintings of Alan Yu Fong at the Seaside City Hall Gallery during the month of June. Mr. Fong received his art education at the Normal University in Taipei, Taiwan and the Indiana University at Bloomington, Indiana.

This combination of East and West is evident in his paintings, which he calls Batic-tiques. He applies acrylic paint to raw canvas with brushes, or pallet knife, using only enough wax to achieve the desired effect and control the paint. Mr. Fong says he tries to make his paintings contemporary, while preserving the traditional concepts of Chinese art with its feeling of tranquility. His paintings are modern, some abstract, but the subjects are classical Chinese. Using modern acrylic paint, he retains the feeling of ancient watercolor.

The public is cordially invited to view Fong's unique, oriental Batic-tiques at the Seaside City Hall Gallery Monday through Friday from 9 to 5.

## Driver Training School Started

Carmel insurance agent Tom Brown and driver training teacher Alex R. Elischer are working together in an effort to give young people and inexperienced drivers a better appreciation of the importance of the expert, careful handling of a car.

Brown and his partner Chris Spaulding give talks to school groups on the savings to be had on insurance for safe drivers.

Such a talk is planned for Robert Louis Stevenson School students this summer. Elischer has been teaching

Driver Education at RLS as a trained Key Driver Trainer being franchised by that organization.

Another activity of Elischer's is the operation of a Russian Language House for the Monterey Institute of Foreign Studies. Here, students speak only Russian while they are learning. As much as possible they try to duplicate many Russian customs.

Elischer speaks Hungarian, German, Danish, Russian and English. His family name has been revered and honored throughout Hungary for generations.

World War I and World War II and the dissolution of the Austria-Hungary empire resulted in the loss of the family fortune but Alex Elischer has retained an inherent zest for accomplishment.

## OBITUARY

Lt. Col. Tex Grant Bau-dcuine, U. S. Army, Ret., much decorated veteran of WWI and Korean conflicts, died June 5. Born in Pecos, Texas in 1908, he and his widow, Anne, had lived in Carmel Valley since his retirement in 1960. Contributions in honor of his memory may be made to the Cobalt Therapy Unit of Community Hospital, Box HH, Carmel.

## W. Downer Leaves United Calif. Bank

## Real Values in Different Categories:

1. FOR THE FAMILY WITH SEVERAL YOUNGSTERS: A large fenced rear yard comes with this three-bedroom, bath-and-a-half, family room, contemporary 1800-square-foot home. It is in excellent condition, sits on two lots and is priced at \$42,000.
2. FOR THE ENTERTAINERS OR THE FAMILY WHO WANTS SPACE: Over 3000 square feet of three-bedroom, three-bath and most unusual family room and kitchen home — and the owner will carry the financing with a substantial down. It is immaculate and priced way below replacement value at \$59,500.
3. FOR THE ARTIST OR THE FAMILY WHO CAN DOUBLE-BUNK SOME CHILDREN: The large studio in this basically two-bedroom, three-bath home lends itself to flexibility. The grounds are beautifully landscaped. The acoustical ceilings will hold down the noise level and a real bonus is the delightful kitchen with its breakfast area. \$45,000 and not overpriced.

"OLD FRIENDS ARE BEST.  
LEST YOU CAN FIND A NEW ONE  
GOOD ENOUGH TO MAKE AN OLD ONE OUT OF."  
WE HAVE.

It's in Carmel, near the Christian Science Church. Construction: first quality. Completely old-fashioned in its room planning — meaning that the living room is dead-end, there is a dining room large enough for complete set of furniture, separate breakfast area with a capacious built-in china closet, kitchen big enough to turn around in, separate utility room amply supplied with cabinets, a bedroom and bath on the main floor, 2 more bedrooms and bath up a beautiful staircase. Many closets; fully insulated walls and ceiling for low heating bills and fine acoustics.

It's completely NEW-FASHIONED in its fine appliances, quality hardware, millwork, furniture-finished cabinets, beautifully made draperies, fine wallpaper. Flower-filled entry court is fenced and there's a delightfully private little patio in back. Attached single garage for safety and convenience. Built under the watchful supervision of a Very Particular owner who only knew good construction; barely lived in, and the owner must return to the other end of the United States. Move right in without even dusting, and with no maintenance worries ahead.

PRICE, \$57,750

### Personals

HAPPINESS Is Living and Working in that "Secret Garden" of Herb Caen's ... Carmel Valley Village. (It should really read "Secret SUNSHINE Garden").

Happiness is driving out the Carmel Valley Road by the ribbon of the Carmel Valley River on its way to its Lagoon. To bask in the bright sunny garden patio at the Keeping Room, for a salubrious gourmet buffet luncheon (perhaps forget the fog at the shore). Happiness is enough room left for a yummy Rum Pumpkin Pecan Tart, Hot Baked Apple Dumpling, Rum Puddin' Cake or an Apricot-Ginger Mousse! (Down with calories!)

Happiness is looking forward to the Plaza de Flores Art Fiesta — a designer-workshop weekend walk-around at Carmel Valley Village in the Pilot Road-Delfino area June 28 and 29.

Happiness is turning left on Pilot Road to the Keeping Room at No. 6, planted between two nurseries, to enjoy a colorful visit, 659-2512. Closed Mondays.

### DISTRIBUTORSHIP

WILL NOT INTERFERE WITH PRESENT EMPLOYMENT  
NO SELLING INVOLVED

NO FRANCHISE FEE. We will select a distributor for a fast moving product for Carmel and surrounding counties. Products such as these attract millions of people daily through television, radio, newspapers, national magazines, etc. This product will be placed in supermarkets, drug stores, restaurants, motels, hotels, etc. by company. The distributor will service these locations once monthly, requiring approximately 10 hours of spare time including time to service 50 locations. CPAs report \$13.00 and up possible profit per location per month. Figure the income you desire per month. Each location requires \$52.50 investment for inventory. You may have 10-200 locations. This company secures all locations and installs the products for you. This is a bona-fide offer and if you are not sincere about owning your own business or meet the above financial requirements, let's not waste each other's time. For a personal, confidential discussion write: President, P.O. Box 20553, Dallas, Texas 75220.

**MISS SIXTEEN**—Demetria Hunter, center, a student at Seaside High School, was the winner of the Miss 16 contest sponsored by KRML, Carmel radio station. The finals, in which 18 girls between the ages of 14 to 16 competed, were held Friday night at the State Theater, and Miss Hunter was chosen by the judges to represent Central California in the state finals in Hollywood in August. At left is Suzi Smith of Carmel, first runner-up, and at right, Monique Dudley, also of Carmel, second runner-up. Miss Hunter was chosen on the basis of appearance, poise and her responses to questions selected by the judges.

**FOR A CLEANER CITY**—First of the 100 refuse containers to be furnished the City of Carmel by the Carmel Kiwanis Club is delivered to Mayor Barney Laiolo, left, and Commissioner Frank Falge, second from left. Making the presentation is Web Downer, president of the Carmel Kiwanis, and Hal Relford of the Ocean Avenue Realty, a member of the club. Containers furnished by the Kiwanis Club save the city more than \$1,300 in construction costs.

### Masters Concert

Friday, June 13 — Charles Ives, Symphony No. 4; Chopin, Concerto No. 2 in F Minor, Opus 21.

Monday, June 16 — Beethoven, Pastoral Symphony No. 6 in F Major, Opus 68; Dvorak, Quintet in G Major, Opus 77.

Tuesday, June 17 — Saint-Saens, Organ Symphony No. 3 in C Minor, Opus 78; Rachmaninoff, Concerto No. 2 in C Minor.

Wednesday, June 18 — Schoenberg, Wind Quintet, Opus 26; Bruckner, Symphony No. 9 in D Minor.

### Christian Science Radio Program

What can we do when life looks empty? "When Teenagers Miss a Parent's Love" is the title of the next program on the Christian Science radio series "The Bible Speaks to You." It will be broadcast Sunday morning over stations KGO at 7:15, KRML at 7:45 and KDON at 8:45. This program tells how a study of the Bible has helped young people with but one human parent find God to be their real Father-Mother filling the empty spots in their lives.

### Flag Day Rite

American Legion Post 512 of Carmel will hold ceremonies at 11 a.m. on Saturday, June 14, Flag Day, at the corner of Lincoln and Ocean to formally dedicate a memorial in honor of men from the Carmel area who have died in combat since World War II.

John Arn, Garry W. Arnold, Frank De Amaral, Larry Larson and John H. Suydam are the names tentatively scheduled to be inscribed on the plaque.

Fr. McMenamin, pastor of the Carmel Mission Basilica will give the invocation, and Carmel Mayor Barney Laiolo will speak, followed by the main address by Admiral C. W. R. Fisher (USN Ret.).

The Legion requests anyone knowing of others killed in the Korean War or Vietnam contact Commander Pat O'Malley at 624-8049.

### City Council (Continued from Page 1)

resolution and to one in September of that year prepared by the City Planning Commission, which urged the legislature to act officially to stop freeway-building authority at the top of Carmel Hill.

A similar resolution was sent to Sacramento at about the same time from the City of Monterey.

However, up to now, the state legislature has not acted in accord with the Carmel and Monterey officials expressed wishes on the termination of the present freeway.

Last night the Carmel City Council again emphasized its demand that freeway construction be stopped permanently at Carmel Hill.

In another policy matter, the Council directed Mayor Barney Laiolo to represent the City at a hearing before the Local Agencies Formation Commission in the Courthouse at Salinas on Tuesday evening, July 24.

The Commission is trying to reach at least tentative conclusions about the areas adjoining Carmel, concerning which the City's views should be asked when zoning and planning problems come before County agencies.

In still another policy question, the Council decided to use the services of its own city planning director to prepare what is called a "housing element" for its adopted master plan instead of participating with other cities in employing an outside planning consultant for such a task.

Since the City of Carmel does not plan to seek, or to participate in seeking, federal funds which would re-

quire it to have a "housing element" in its master plan, the "housing element" question did not seem urgent.

Discussion of a request for a driveway variance at the residence of John Beard, just south of Ocean Avenue, on the west side of Scenic Drive, led to a decision to direct City Engineer Clayton B. Neill to establish official grade elevations for the portion of Scenic Drive from Ocean Avenue to 8th Street, and meanwhile to allow issuance of the usual building permit for the desired residential construction on the Beard property.

At the conclusion of the public portion of the Council meeting, the Council adjourned to private, or executive session to consider pending litigation and salary matters.
